

# NPL VISITING AUTHOR

## CONNIE DE VEER

APRIL 29 7 PM CAFE

Join us for this book event celebrating local author, Connie de Veer! Connie is a Professor of Acting at Illinois State University where she regularly directs and serves as the voice, text and dialect coach for School of Theatre and Dance productions. Her book, *Actor for Life* is the text that actors and acting teachers search for. It has an upbeat tone, easy to read style and tongue-in-cheek images. Exercises found in the book enable the reader to break negative patterns of thought and behavior, resulting in lasting positive change.

 This event is sponsored by the Normal Public Library Foundation.
