

STUFFED ANIMAL SLEEPOVER

FEBRUARY

8

10:30–11:15 am & 3–3:45 pm
Community Room

Send one of your stuffed animal buddies to have a stuffed-animals-only sleepover at NPL. You and your furry friend will hear a bedtime story and share a snack before you leave them with their fellow stuffed animal pals for the night. When they are ready to come home the next day they will have so many pictures to show you of all the fun times they had at their library sleepover!

TIP *you may choose to send your second favorite stuffed animal, so you will still have your very favorite for bedtime!*
